

**"Agriculture is a BIG word!"
LESSON PLAN FIVE**

Accompanying Song(s) from CD: "I'm Gonna Count To Ten (with all my farming friends"

Activity: Drawing and coloring

Skills: Listening, drawing, painting

Grade Level: Head Start through first grade

Objectives: Learn numbers through animal combination

Time

Required: One hour

Group size: Break class into ten separate groups

Materials

Needed: Crayons and paints, poster paper

Procedure: Have each separate group make a poster for the number assigned to them, using the song lyrics mentioned above. For example, "Ten birds sing, they know so many songs" can feature a drawing with birds singing on a clothesline...so children can remember by association.

Evaluation: Children will hang posters and learn the sequence of numbers by identifying them with animals.

This lesson plan is part of the "Agriculture is a BIG word!" music, lyrics and lesson plan package.
Special thanks to the Pennsylvania Department of Agriculture and the
Agriculture Awareness Foundation of Pennsylvania for the grant to produce this project.
