

## I'm Gonna Plant A Garden

I'm gonna plant a garden  
Out back where there's some dirt  
I'm gonna plant a garden  
And get stuff on my shirt  
I'm gonna plant a garden  
**My fingers feel the ground**  
**And I know some things will grow all around**

I'm gonna plant some seeds  
So radishes will come  
I'm gonna plant some seeds  
They need water and some sun  
I'm gonna plant some seeds  
**My fingers feel the ground**  
**And I know some things will grow all around**

I'm gonna plant tomatoes  
They lean into a stick  
I'm gonna plant tomatoes  
Be sure they don't get sick  
I'm gonna plant tomatoes  
**My fingers feel the ground**  
**And I know some things will grow all around**

*(more on next page)*

I'm gonna plant some corn there  
The stalks will get so high  
I'm gonna plant some corn there  
A scarecrow's watching by  
I'm gonna plant some corn there  
**My fingers feel the ground**  
**And I know some things will grow all around**

I'm gonna plant a garden  
Enough to feed my friends  
I'm gonna plant a garden  
So big it never ends  
I'm gonna plant a garden  
**My fingers feel this ground**  
**And I know some things will grow all around**  
**Some things already grow all around!**
