

**"Farms, Food & FUN!"  
LESSON PLAN SEVEN**

**Accompanying Song from CD:** "Don't Frown, Slow Down,"

**Activity:** Reading Body Language

**Skills:** Kids can use their faces and bodies to display body language.

**Grade Level:** Kindergarten through third grade

**Objectives:** Discuss the importance of smiles, frowns and body language and how others are affected by this.

**Time Required:** 15 minutes.

**Group size:** Classroom or smaller groups, if preferred.

**Materials Needed:** CD player and lots of room to move!

**Procedure:** Find an area where desks, nor chairs, are in the way and turn on the CD player. Show over-emphasized frowns and smiles. And pull on the reigns to show "slow down." Ride up and down on the school bus. Encourage laughter and fun through animation!

**Evaluation:** Ask the children if they know why it's important to be safe on the road? Why are there speed limits? Why are there blinking lights, etc.
